**NB HERO BRA**

WBT3106  
$42.00  
NEW  
XS–XL

- 3/4” bottom band elastic with strong modulus for secure snug fit and stability- plush back channels on elastic offer comfort and help move moisture away
- Encapsulation and compression support (internal cups and lining supports each breast individually while outside shell offers compression)
- High Impact for A and B cups
- Imported
- Light weight powermesh lining for support
- Mesh panels for breathability
- Narrow self fabric straps with clear silicone elastic inside for added support - back adjust straps for customized fit
- Padded cups for shaping and support; allows the AB cup customer to look like she still has shape vs. wearing a full compression bra- supports each breast individually and offers modesty
- Racerback styling offers wide range of arm movement and non slip straps
- Soft tubular cup channeling for no chafe comfort next to the body
- Stabilized center front cradle to reduce lateral breast movement

Fast. Aggressive. Reliable. Featuring a new sprint spike plate inspired by our elite racing spikes, the updated SD100v3 provides a dynamic fit and ride for the emerging sprinter. The removable six-spike forefoot configuration delivers firmness and a molded heel with textured outsole rubber provides traction in the blocks.
